

MAKING MY OFFICE VISIT COUNT

It's all part of my plan.

Your health is important. And Sunflower Health Plan wants to help you get the most out of your visit to your primary care provider (PCP).

The checklists below include suggestions of what you can do before, during and after your PCP visit. Use the worksheet on the back to help you prepare for your appointment and for writing notes during your visit. Take charge of your health by asking questions and sharing information, so your PCP can help you receive the best possible care.

Plan ahead for visits with your doctor!

Use the checklists below before, during and after your PCP visit:

Before Your Visit

- Call to confirm your appointment and to make sure your doctor is part of [Health Plan].
- Fill out the worksheet on the back and include any questions you want to ask during your visit.
- Write down any health issues you've noticed, like changes in your weight, sleep or mood.

During Your Visit

- Use your worksheet to help you fill out any office paperwork.
- Ask questions about your blood pressure or weight.
- Check about scheduling tests for blood sugar or cholesterol.
- Take notes about any important information you want to remember, like instructions, prescriptions or referrals.

After Your Visit

- Schedule any follow-up appointments and your next wellness visit.
- Check on test results.
- Pick up any prescriptions.
