I hereby understand that as a prospective/current Sunflower State Health Plan provider, I am solely responsible for ensuring that any licensed practitioners under my employment or working in association with my clinical practice are fully qualified and have all necessary licenses required by all relevant laws to legally perform the assigned functions within my practice. Further, I agree that each such individual must be fully presented to Sunflower State Health Plan Credentials Committee for their review and approval, and, absent such affirmative approval, Sunflower State Health Plan members assigned to my care may not be treated or assisted by such individuals under my employment or associated to my practice without prior approval from Sunflower State Health Plan. Further, from time to time, such licensed practitioners may change, as my practice associates. In all such cases, I accept responsibility for notifying Sunflower State Health Plan in a timely manner about these new arrangements and will be responsible for fully cooperating in the submission of completed application forms and providing any other information as may be required to satisfy Sunflower State Health Plan credentials/re-credentials requirements for all such individuals associated with my practice.

- ✓ Consent to the release of such information for credentialing purposes.
- ✓ Release from liability all representatives of the Plan for their acts performed and statements made, in good faith and without malice, in connection with evaluating the application, credentials and qualification for determination of credentialing status.
- ✓ Acknowledge that I, the Applicant, have the burden of producing adequate information for a proper evaluation of our professional, ethical and other qualifications for credentialing purpose and for resolving any doubts about such qualifications.
- ✓ Acknowledge that any material misstatement in, or omissions from, this application constitute cause for denial of credentialing status or cause for summary for revocation or suspension of privileges and/or dismissal from the participating network.
