

Second KanCare Health Homes Forum
July 23, 2013

Forum Goals

1. Provide input to KDHE and KDADS on draft components of the State Plan Amendments(SPA) that will be submitted to the Centers for Medicare and Medicaid (CMS)
2. Learn about the health homes initiative and the progress made to date, including:
 - a. The health home model Kansas will use
 - b. Proposed components of the SPA

Participant Expectations

1. Obtain the draft materials from the KanCare website (http://www.kancare.ks.gov/health_home.htm), and bring them to the forum
2. Review the draft materials prior to the Forum and come prepared to provide informed comments and input
3. Share information provided during the forum with your organization and other interested groups with which you interact
4. Expect to submit some questions in writing, following the main presentations

During facilitated discussion sessions:

5. Ask specific questions that address the discussion topic
6. Expect that the forum will answer as many questions as time allows
7. Keep remarks short to allow for as much participation as possible
