Dear KanCare Stakeholder,

Kansas is preparing to renew the KanCare Medicaid program and the Kansas Department of Health and Environment (KDHE) and the Kansas Department for Aging and Disability Services (KDADS) need your input and ideas about the renewal, and about potential changes that are being considered.

You are invited to attend one of the information and feedback sessions listed below. State staff will be there to provide you with updates and information about KanCare, and about potential changes being considered. You will have the opportunity to provide feedback as the renewal process moves forward.

To learn more about KanCare, please visit <http://www.kancare.ks.gov/>.

Each location will include a <u>1:00-3:00pm session</u> and a <u>5:30-7:30pm session</u>. The same information and opportunity for feedback will be shared at each session.
