

Kansas Health Homes Conference

UnitedHealthcare Community Plan

August 11-12, 2015

Health Homes Resources

Population Registry

Location: <https://www.medicalhomeuhc.com/default.aspx>

What's It For: View claims history, view gap in care information, and view member demographic information for all active members.

How do I get it?: Contact your Nurse Care Manager if you work with one regular, otherwise e-mail uhckshealthhomes@uhc.com

Community Care Platform

Location: <https://uhc.gsihealth.com/dashboard/index.jsp>

What's It For: Direct member management. Complete assessments, record activity performed with members, share information securely with other Care Team Members

How do I get it?: Contact your Nurse Care Manager if you work with one regular, otherwise e-mail uhckshealthhomes@uhc.com

Monthly File

Location: Your inbox, monthly.

What's It For: View member status, history, level, demographic information. Track form receipt (refusal and discharge) and view qualifying diagnosis.

How do I get it?: Contact your Nurse Care Manager if you work with one regular, otherwise e-mail uhckshealthhomes@uhc.com
