4. What was the most helpful part of the webinar?
- Resource links
 - Resources identified
 - The slides were very informative and the presentation was easy to follow along with.
 - Information provided on the different programs.
 - I have worked in health promotions for a number of years so it was nice to have it included in this health homes discussion.
 - Listings and links to much of the content.

- Information regarding state programs.
 - The different programs
5. What was the least helpful part of the webinar?
- The volume of the speaker was so low, it was difficult to hear them.
 - Speed of presentation.
 - All good
 - Way too many acronyms.
 - Need to know what can be done to address the IDD population and aging population.
 - Not enough specificity regarding application to health home lead entity expectations of health home partners.
 - None really
6. Please share suggestions for improvements for the next Health Homes Webinar.
- None at this time.
 - Suggestions for direct use, application of resources into the Health Home model.
 - I felt that the webinar goes so fast.
 - A clearer understanding of how to submit questions prior to the webinar.
 - General information would be preferred after program launch. Target information key to implementation and building successful HHPs.
