4. What was the most helpful part of the webinar?
- Questions/Answers
  - Delivery of the information and the inclusion of questions and answers
  - Resource materials available on the website.
  - Outlining expectations
  - Question & answer session
  - The visual presentation of the HAP

5. What was the least helpful part of the webinar?
  - Got more info from Q&A than from 15 minute basic coverage of the HAP
  - Going over website again
  - The constraints of budgets allowing impersonal technology to convey person centered services. . . somewhat of an oxymoron
  - All was helpful
  
6. Please share suggestions for improvements for the next Health Homes Webinar.
  - KDHE staff do a super job getting the word out to as many folks as possible to get the maximum benefit for their customers. I believe there needs to be some "coaching" factor regionally. Maybe it needs to come from MCOs, KDADS, KDHE-- the Good Lord only knows who--in the end we hopefully will be barking up the same tree.
  - Nothing at this time.
