

WA408 MEDICAL EDBC LIST (MANUAL) PAGE NOT DISPLAYING DATA FOR PRESUMPTIVE ELIGIBILITY

Workaround

The **Medical EDBC Summary (Manual)** page is not displaying correctly when viewing Presumptive Eligibility EDBC results. The page does not display the **Eligible Budgets** section. To view this information staff will complete the following workaround.

NOTE: This workaround assumes that staff clicked the **EDBC Results** Task Navigation link and selected the Presumptive Eligibility EDBC result they want to view from the **EDBC List** page.

STEP 1: From the **Presumptive Eligibility EDBC (Manual)** page, click the 'Name' hyperlink of an individual from the **Program Configuration** section of the page.

STEP 2: The **Individual Eligibility Criteria** page displays. Click **Close**.

STEP 3: The **Medical EDBC Summary** page displays and shows the **Eligible Budgets** section.
