  - Physical health care, including pharmacy, dental, vision, NEMT
  - Long term supports and services, including nursing facilities, ICFs/MR, and HCBS waiver services
- Local Education Agency (LEA) and Early Childhood Intervention (ECI) services will remain fee for service (FFS)
- Services within public intermediate care facilities for individuals with intellectual disabilities (ICF/IID) will also be FFS

## KanCare Overview – What is covered?

- All Medicaid and CHIP beneficiaries
- Excluded populations include:
  - SOBRA (very limited emergency services for immigrants)
  - MediKan
  - Program for All-inclusive Care for the Elderly (PACE)
- Native Americans will have the option to be in KanCare

## What Stays the Same?

- Eligibility requirements
- Current providers
- Current services
- Current rates (at least the FFS floor)
- Member Medicaid ID numbers
- KAN BE Healthy benefits

## What is Changing for Providers?

- Improved service coordination (7/1/19) – shared by the MCOs and community providers for many populations
- Continued standardization of certain MCO processes
- Provider enrollment in Medicaid – all providers must enroll via KMAP and receive a provider Medicaid ID number (by Nov. 1, 2018)
- Claims will be edited for KMAP IDs beginning Jan. 1, 2019
- MCOs will engage in value based purchasing with willing providers

## What is Changing for Providers?

- Amerigroup members will be assigned to Aetna, but can choose any of the three MCOs
- All members will receive enrollment packets, beginning in October, and will be allowed a new MCO choice period that runs until April 3, 2019
- There will be some new value added benefits, including:
  - Nursing home to community transition support
  - Extra support for children in foster care and their families
  - Enhanced transportation for some HCBS providers
  - Free internet access as a reward for healthy activities
- There will be some changes to service coordination for some populations – including partnering with community agencies, more robust contact standards, and required staffing ratios
