RE: Errata - Kansas Economic and Employment Support Manual (KEESM) Revision No. 20

The following change is being made to the online version on KEESM Revision No. 20.

KEESM Section [2833](#) (2) was revised effective October 1, 2004 based on an information presented to the Kansas Legislature during the 2004 session regarding who is responsible for paying for child care costs when a foster child is involved and placed with a non-licensed approved relative. This was discussed in Item IV, A, 2 of the Summary of Change for the October, 2004 revision.

It has since been determined that this is an incorrect interpretation. Section [2833](#) (2) is being reverted to the wording that was in effect prior as of the July 1, 2004 KEESM Manual.

The correct manual material can be seen by clicking on the links above.

Sincerely,

Bobbi Mariani, Director
Economic and Employment Support
