

OneCare Kansas Codes

OneCare Kansas is considered a bundled service, so individual core services provided within any month will not be billed for as fee-for-service. Payment to the Lead Entity, from the State, is a per member per month (PMPM) payment made retrospectively each month and, unless pre-approved by the State, payment to the OneCare Kansas Partner (OCKP) will be a PMPM. In order for a OCKP to receive the OneCare Kansas PMPM payment agreed upon between the Lead Entity and the OCKP, the OCKP must provide the member with at least one OneCare Kansas service during the month for which the claim is submitted. Services should be documented per the information provided in Section 11 of the OneCare Kansas Manual as required by the Lead Entity-OCKP contract.
